- Checkout you can checkout the book to read, take notes, listen to he book, highlight. You can check out 3 at a time and only for ONE week at a time.
- Add to Favorites Use this if you either want to cite this as a source or mark it to read later.

IMPORTANT THINGS TO REMEMBER:

- Single Use copies can only be checked out by ONE person at a time
- Multiuser copies can be checked out by ALL readers in our school at the same time
- There may be limited check out copies that only allow a certain number of readers, then are gone, or only allow us to have the book for a certain length of time (ie: 12 months)
