Hortonville Area School District
Application for Waiver of Student Registration Fees

Regular student registration fees may be waived for your child(ren). Waiver of school registration fees is determined utilizing the Income Eligibility Guidelines as published by the Department of Public Instruction for the School Nutrition Program. Please note that the District does not offer a reduced school fee, therefore the family must qualify for free or reduced lunch in order to qualify for a waiver of school fees. Fees for social and extracurricular activities and individual use such as padlocks, calculators, and gym t-shirts are **not** eligible for waiver.

If you wish to apply, you must complete this application and return it to the school office for processing. Incomplete applications cannot be considered. Eligibility is based on the student's qualification for free or reduced price meals. Check the box below to indicate your desire to apply for a waiver of student fees for the current school year.
