How do I register? Online through the YMCA of the Fox Cities program registration website. If you do not have an online account please set one up at

<https://operations.daxko.com/Online/Membership/myaccount.aspx?cid=5099>.

Before Registration Opens:

- Fill out the Profile feature within your online YMCA account. The Profile provides all the information needed for Wisconsin state licensing as well as information our teachers need. If you registered your child for YMCA of the Fox Cities Summer Day Camp for 2023, your completed answers will auto populate for School Age registration, you will not need to complete the Profile again.
- The Profile is new in 2023 and no information will transfer from the previously used Pre-registration Questionnaire. (Please note that information entered into the Profile does not update Membership Information)
- You will need your child's immunization records, physician contact information and emergency contact information as this information must be entered into the Profile.
- At the time the Profile is filled out all questions are not required, however at the time of registration ALL QUESTIONS will be required. You will not be able to register until all questions are complete.
- We highly recommend you **complete the Profile prior to registration day** so you can register immediately upon opening at 6 am.
- The system may time out. To avoid this, click save changes at the bottom of the Profile frequently ensuring anything you have entered is saved.
- The Profile can be updated at anytime so as information changes you can edit the Profile.
