SEXUAL HARASSMENT

The Board of Education acknowledges all regulations, requirements and responsibilities defined by the E.E.O.C. (Equal Employment Opportunity Commission) regarding sexual harassment as a violation of Title VII and Title IX.

Sexual harassment is a form of misconduct which undermines the integrity of the District's employment and academic relationships. All employees and students must be allowed to work in an environment free from unsolicited and unwelcome sexual overtures.

Complaints may be made to the District Administrator as complaint officer or the Director of Business Services as a designee of the complaint officer.

Associated Information:

Sexual harassment does not refer to occasional compliments. It refers to behavior which is not welcome, which is personally offensive, which debilitates morale and which therefore, interferes with the working or learning effectiveness of its victims and their peers. Individuals who experience sexual harassment should make it clear that such behavior is offensive to them and may process a complaint pursuant to this policy. Sexual harassment may include actions such as:

- A. Sex-oriented verbal "kidding" or abuse;
- B. Subtle pressure for sexual activity;
- C. Sexual contact as defined by statutes;
- D. Demands for sexual favors, accompanied by implied or overt promises of preferential treatment or threats concerning an individual's employment or academic status.

Sexual harassment is a prohibited action when it results in discrimination for or against an employee or student on the basis of conduct not related to their working or learning performance. Such practices would include any job related or academic action that is based upon an individual's acceptance of, resistance to, or refusal of sexual overtures. This form of sexual harassment may be more difficult for employees or students to cope with when individuals offer or threaten to use the power of their position to control, influence or affect the career, salary or job of another employee or academic status of a student in exchange for sexual favors. Individuals who instigate this type of harassment are subject to disciplinary action, including suspension, demotion or discharge.

It is possible for sexual harassment to occur at various levels: among peers or co-workers, between supervisors and subordinates, between employees and students, or imposed by non-employees on employees and/or students. It is the District's obligation to maintain a positive and productive working and learning environment. The District will make every effort to halt any harassment by calling attention to this policy or by more direct disciplinary action, if necessary.
