VENDING MACHINES

The Board of Education recognizes that vending machines can produce revenues which are useful to augment programs and services to students and staff. It will, therefore, authorize their use in District facilities providing that the following conditions are satisfied.

- A. No food or beverages are to be sold or distributed which will compete with the District's food-service program.
- B. Food items and beverages available for sale to students in vending machines for consumption on campus shall comply with the current USDA Dietary Guidelines for Americans and Smart Snack Rules.
- C. The installation, servicing, stocking, and maintenance of each machine is contracted for with a reputable supplier of vending machines and their products.
- D. The District's share of the revenues is managed by the District in accordance with relevant Board policies and administrative guidelines.
- E. No products are vended which would conflict with or contradict information or procedures contained in the District's educational program on health and nutrition.

The District Administrator shall develop and implement administrative guidelines that will require these conditions are adhered to on a continuing basis.
