PUBLIC ATTENDANCE AT SCHOOL EVENTS

The Board welcomes the attendance of members of the community at athletic and other public events held by the schools in the District, but the Board also acknowledges its duty to maintain order and preserve the facilities of the District during the conduct of such events.

The Board directs that no alcoholic beverage or other controlled substance be possessed, consumed, or distributed.

Raffles and similar forms of fund-raising by District-related organizations may be permitted by the District Administrator in accordance with Policy 9700 – Relations with Special Interest Groups.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, The District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. District's facilities where members of the public, as participants in services, programs or activities, or as invitees, are allowed to go. (See also Policy 8390 – Animals on District Property)

Persons attending school events are subject to the prohibitions on use of tobacco pursuant to Policy 7434 - Use of Tobacco on School Premises.

Persons attending school events are subject to the provisions of Policy #7217 – Weapons.

The Board is aware of the increasing desire of many parents and other members of an audience to make audio and/or video recordings of school events.

Such recordings can be made by parents or other members of the audience without restriction if the performance is of copyrighted material. However, if the performance is of copyrighted material, recording can be made if the appropriate license authorizing such recordings has been secured in advance by the District. If the performance is of copyrighted material and the necessary license has not been secured in advance by the District, the audience shall be advised before the performance begins that audio and/or video recordings that will be re-broadcast or distributed in any way, such as posting on the internet, are prohibited.

The Board authorizes the District Administrator to establish rules and procedures governing the use of nondistrict audio/visual recording equipment at any District-sponsored event or activity. Such rules are to be distributed in such a manner that members of the audience who wish to record the event are aware of the rules early enough to make proper arrangements to obtain their recordings without causing delay or disruption to an activity.

Any person or organization seeking to film students or a school activity which is not a public event shall obtain prior permission from the District Administrator.

All notices, signs, schedules, and other communications about school events shall contain the following statement:

"Upon request to the administration, submitted twenty-four (24) hours in advance, the District shall make reasonable accommodation including the provision of informational material in an alternative format as necessary for a disabled person to be able to participate in this activity. At least twenty-four (24) hours advance notice of the need for accommodation is appreciated."
