FOX WEST ACADEMY

Do you learn best when...

- engaging in projects to creatively solve problems
- forming connections between class subjects and your "real world"
- contributing your individual skills and strengths in collaboration with others?

Do you enjoy learning more when...

- projects are designed around your interests and strengths?
- technology is used daily to collect, create, and distribute?
- teachers focus on developing your skills as a 21st century leader?

Then Fox West Academy is for YOU!

Fox West Academy is a 501(c)(3) private, non-profit charter school sponsored by the Horsham Area School District. We are located in Horsham, Pennsylvania. Enrollment is limited to our region.
