

DeadPool

BACKSTORY

Wade Wilson mom died of cancer and his dad was in the military. When his dad tried to get Wade out of a drinking party, someone stole his gun and shot his dad. Now he is fighting crime. His superhero name is Deadpool.

Powers

Deadpool doesn't have any powers. He does have a lot of guns. He uses ropes to get around like Spiderman. He also has lots of muscle and two swords.

Costume

Deadpool has a red and black costume. It also has a mask and utility belt and lots of gun pockets. His costume is pretty tight and his eyes have no color.

Weakness

DeadPool doesn't have any special powers. He does know Martial Arts. When he is harmed, his body has the

ability to heal itself. This means he is basically immortal until he dies of age.

Mission

He really doesn't have a single mission. He does many missions over time. It is said that he only kills those who he feels they deserve, because they did horrible things.
