

# Dr.Strange

Dr.Strange is well strange his **backstory** is actually not that strange his wife left him his brother died right in front of him.

His **power** is learning magic and his life was now taken over by learning magic he mastered the art and became DR.STRANGE.

His **costume** has the eye of agamoto it doubles his magic abilities and and human abilities and protects him

**Weakness** is letting anybody in his house or letting anybody try to pronounce his spells or maybe someone to steal his book of spells and do something wrong

Summary. Dr. Strange is very OP he can do the impossible I overall like this character but he is not my favorite character but close.
