Help us spread the good news!

If you have good news to share about a person, group or organization that has contributed towards the success of the Hortonville Area School District recently, you can do so using the Good News submission form on the school website, www.hasd.org. Just click on the tab marked 'Good News.'

Here is news reported during the week of March 1.

Greenville Elementary School

The third grade musical "A Kid's Life" under the direction of Nicole Eidahl and student teacher, Ashley Brown was fabulous. The third grade students, including all the solos, Grandma (Morgan Panzenhagen) and Grandpa (Rick Marcusen) the Shout Out solos, the Charades, the Kids, The Good Time Family Band, and all the performers, were wonderful. Special thanks to the third grade teachers for your flexibility and supervision before and after the performance. We have many talented singers and dancers at GES.

Greenville Middle School

GMS Staff would like to thank Carol and Julie for the great meals during our Parent/Teacher Conference nights. Thanks for all the work you do!

The patriotic heart of Mrs. Jones is unbelievable. When asked to have her students write to my nephew who is in boot camp, she had letters in my hand within 2 hours. She is a wonderful example of caring and generosity. Thanks Mrs. Jones!

Hortonville Elementary School

A big thank you to Lisa Ales for being so helpful with keeping our Smart Boards aligned! Lisa always responds

quickly and goes above and beyond climbing ladders and tracking down the right tools to get the job done!

Hortonville High School

Congratulations to Andy Schmidt, Stephanie Friebohle, and the cast and crew of "Backstage" for putting on such an enjoyable comedy. Great casting--the students definitely had fun on stage!

Hortonville District

If you happen to see Patrick Armstrong, (HASD Tech. Dept.), please give him a pat on the back! On March 13, 2010, he will once again be participating in St. Baldrick's annual benefit, "Shaving the Way to Conquer Kids' Cancer." Pat has volunteered to have his head shaved in an effort to raise money for this event. What a terrific & awesome thing to do - we are proud of you, Patrick!!! If you want to follow Pat's fundraising efforts, go to www.stbaldricks.org

Thank you to all who helped make the 2010 HASD Concert Band Clinic a success for another year. Over 500 high school and middle school band students were involved in the clinic at HHS Auditorium. Thank you not only to the high school band directors, Greg Forton and Andy Schmidt for setting this up, but to all of the staff for allowing students to miss their classes so they could participate. Thank you to the administration for their continued support of the music program. Thank you to the bus drivers and transportation department for getting the students there and back even when schedules were crazy. Thank you to the clinicians, for sharing your experience and love of music with our students. Most of all a huge congrats to the students who make music in our school every day.

We welcome your opinion!
