

# Hope Clinic and Care Center

1814 Appleton Rd. Menasha WI

**920-931-1150**

Eligibility for the Hope Clinic is income at or below 300% of federal poverty. To check if you qualify go to [www.hopeclinic.care/eligibility](http://www.hopeclinic.care/eligibility)

During this changing time, the Hope Clinic is planning to:

- Remain open 9-5 M-Th
- Continue to re-fill medications for existing patients, address follow-ups via telemedicine process
- Triage all calls, give instruction and direction accordingly
- Serve those who need healthcare that is in our capability to have a Provider see via telemedicine by appointment
- Ask all individuals with coughs, sore or scratchy throats, fever and difficulty breathing to remain quarantined and treat with Tylenol and fluids

Important Information for Patients or Individuals seeking healthcare:

- If you begin experiencing an increase in difficulty breathing with a cough and fever, call your local Emergency Department for direction
- **Hope Clinic will not take any walk-ins until further notice**
- **Hope Clinic does not administer the COVID-19 Test**

If you are not familiar to the Hope Clinic, we may ask you to consult your regular PCP first.

*Please be aware that Hope Clinic may not be able to make a diagnosis or treat all cases over the phone. You may be asked to seek further care as deemed appropriate by the provider.*
