

Dr. Evil. Essay

Backstory

"My father was a relentlessly self-improving boulangerie owner from Belgium with low-grade narcolepsy and a penchant for buggery. My mother was a fifteen-year-old French prostitute named Chloe with webbed feet. My father would womanize, he would drink, he would make outrageous claims, like he invented the question mark. Sometimes he would accuse chestnuts of being lazy. A sort of general malaise that only the genius possess and the insane

lament. My childhood was typical. Summers in Rangoon, luge lessons. In the spring we'd make meat helmets. If I was insolent, I was placed in a burlap bag and beaten with reeds. Pretty standard, really. At the age of twelve I received my first scribe." - Dr. Evil

Powers

Dr. evil doesn't really have any powers, but if i had to list some things that were unique about him they would be these things. 1) has the ability to be really stupid at all times 2) Can't stop quoting things 3)he has a pet midget. These things are unique about Dr. Evil. There are other things but i can't think of them.

Costume/Identifiable Traits

The most identifiable things about Dr. Evil are his finger thing (to the left) and mimi-me (under finger pic). His costume consists of shiny colors (varies on occasion). Mini-me is different. His outfits are the same as his counterpart until the 3rd movie when he turned to Austin's side.

Enemy/Weakness

Dr. Evil's Enemy is Austin powers (left). The reason Austin is Dr. Evil's enemy is because of 3 things. 1) he stole his fame in college 2) Dr. Evil is an Evil "mastermind" and Austin's a spy and 3) Austin has "Mojo" and Dr. Evil does not. Dr. Evil doesn't really have a weakness besides being an idiot.

Summary

so Dr. evil is a Evil mastermind and Austin powers is his enemy. I didn't tell you this because i didn't know where to put it but in the 3rd movie we find out that Dr. Evil is actually Austin's brother. Dr. Evil has a mini counterpart who is called mini-me. Dr. Evil is an idiot and likes quoting things. He had a rough childhood and he has no "mojo".
