

What am I good for

By : Luke Hameister

Famous fail

Babe Ruth: You probably know Babe Ruth because of his home run record (714 during his career), but along with all those home runs came a pretty hefty amount of strikeouts as well (1,330 in all). In fact, for decades he held the record for strikeouts. When asked about this he simply said, "Every strike brings me closer to the next home run."

How do fails relate to the bible

I will never fail you or forsake you Hebrews 13:5.

Cast your cares upon the Lord,
for he cares about you. 1 peter 5:7

Peter denied knowing Jesus

You see fails are there the devil will try to
get you far from god but he will comfort
you and tell you that you are good for
much more

Know the real question what are you good for

People who think that you're not good
Enough trust me you are so
Much better than

What everyone says god has a way
better plan for you than you have for
yourself but the first part is you. You have
to make the first step to go to god and
stop what you don't like because it's kind
of like the power of one but it is the
power of 2 you and god

thirst

- We need thirst for the lord we need to want him and the only way to thirst the gate way to thirst is the bible we need to thirst the bible because that will be the most pure filling

And once you drink you will be full but yet thirsty for more of It but one sip will get you there we need to thirst the lord want more and more.

What am I good for

I have told you about fails and I have told you about thirst but what am I good for or what am I good at I believe that once we all die we either go to heaven or hell and I believe that swear words come straight from the gates of there and we must flee from lust as fast as we can so I try to live my life the christian way and I know its not the cool thing to do growing up I got a you go to church every Sunday that's not the cool thing to do but my god will never leave me or forsake me because now we're in the bible does it say that I will go right to heaven but why can't we live a better life why after camp do we go back to our old life why does god do that to me? Why would god test me ? Because he gives his strongest battles to his strongest people.

The parable

- Open your bibles to Luke 13:1-9
- The parable of the fig tree
- Why is this so important about what am I good for
- Because god believes in second chances if you don't like it change it god will agree with you on that.

Bottom Line

- You see the bottom line is we are all different but god did that for a reason he wants us different and boy does he want us to bloom so dutiful it will be so nice gods garden.
