## **Online Personal Finance – ½ Credit**

Blended Personal Finance (6105-06) is a six-week summer school course that juniors or seniors can enroll in to meet their Hortonville High School Personal Finance ½ credit graduation requirement. The purpose of this class is to empower students with knowledge and application of basic financial principles so that they can make sound financial decisions for life. Specific topics covered in the class include: Saving, Budgeting, Debt, Life after High School, Consumer Awareness, Bargain Shopping, Investing and Retirement, Insurance, Money and Relationships, Careers and Taxes, and Giving. Students taking the blended option will meet in E120 at 8 am on June 5<sup>th</sup> to discuss the course expectations for the summer. Students will complete the course via Canvas.

**\*No prerequisite                      (.5 credit)                      Summer School                      11-12**

## **Online Health Education -1/2 Credit**

A six-week summer school course for students to meet their state requirement of ½ credit of Health. Students taking the blended option will meet in E130 on June 5<sup>th</sup> at 8am to discuss the course expectations for the summer. Students will complete the course via Canvas.

This curriculum is designed around the risks, responsibilities, and relationships through the seven dimensions of wellness: Emotional, Physical, Intellectual, Environmental, Spiritual, Occupational (Career), and Social. The topics help our students understand that the decisions that they make now will affect the quality of their lives both now and in the future. Specific topics covered in health will consist of Signs of Suicide, sexual assault awareness, social skills (interpersonal communication), emotional/mental health, drug/alcohol education, nutritional awareness, Human Growth and Development, and healthy relationship development along with a health holistic approach to managing your life.

**Online Physical Education -1/2 Credit**

Blended Physical Education (3011-12) is a six-week summer school course that allows student to receive a ½ credit of Physical Education Credit. This course will emphasize the five health-related components of fitness, along with the development of skills practiced in Physical Education I. Safety, courtesy, rules, and strategy will also be taught. Summer school physical education units will be determined upon the incoming students picking their top six most popular units that the students will be polled before summer school beginnings. This will give flexibility to adapt to the students taking the course, yet still be exposed to Physical Education II curriculum. Students taking this course will meet in E127 at 8am on June 5<sup>th</sup> to discuss the course expectations for the summer. Students will complete the course via Canvas.
