Policy Statement:

It is the intent of the Hortonville Area School District to provide differentiated programming and services within the individual classrooms for those students, and to extend the opportunities for them outside the classroom as the need arises, but subject to Board of Education approval.

Rationale:

The Hortonville Area School District recognizes there are those students who have outstanding ability and who are capable of exceptionally high levels of performance.

Scope: *District-wide*

Responsibility: *District Administrator with the At Risk/Gifted & Talented Coordinator*

Implementation:

In support of this intent, the Board of Education prescribes that the T.A.P.S. (Talented and Promising Students) Educational programming plan be implemented by the administration and teachers of the District.

Associated Information: *T.A.P.S. Handbook*
