

Movie Permission Slip

Dear Parents/Guardians,

During the school year Mr. Lundstrom and Mr. Haas/Nejedlo's classes will have the option of viewing student-friendly videos during our mid-quarter and end-quarter Movie Makeup days and for earned rewards. This serves as an opportunity for students to get caught up on missing, absent, or failing work and/or as motivation to be responsible and make good choices. Our district's policy is for students to watch G rated movies in grades 6th and under unless there is written approval from parents.

In order to provide students with movies of high interest, we would like to ask for permission to show PG movies during the year. An example of a movie we might show would be the movie Sandlot which is rated PG. According to imdb.com it is rated PG for "some language and kids chewing tobacco." We understand and respect your wishes if you would rather not have your student view PG movies at school.

_____ Yes, my child has permission to watch the PG movies.

_____ Prior to giving consent, I would like to know in advance the PG movie to be shown.

_____ No, I would like for a G rated movie to be shown instead.

Child's name: _____

Parent's Signature: _____
