

Dear Parents,

Please be aware that our first auction of the year will be held Wednesday, October 26, 2010. Your child has been working hard to earn their Danke Dollars, and pay their rent. Now they get a chance to use that extra cash, or to make a little extra. Students are allowed to bring in 1-3 items from home for the classroom auction. These items **MUST** be approved by **YOU** prior to being sold since they are truly being sold and will **NOT** be returned. Your child will receive Danke Dollars in exchange for their items, not real money. Thank you for helping them make good choices and for being a part of this learning experience. If you have questions or concerns please contact me.

Thanks,
Jill Danke
