## ¿Cuántos años tienes?

interrogativo-iCuăntos?

$\left.$| ¿Cuántos años tienes tú? |
| :--- | :--- |
| How old |
| ¿Cuántos años tiene usted? are yo | | Yo tengo...años. |
| :---: |
| I am__ years old. | \right\rvert\,

- When forming a question the sublect pronoun is placed afterthe verb.
- When responding to the question the subject pronoun is placed beforethe verb.

When we ask about a person's age in Spanish, we are actually saying, "How many years do you have?"

It is important to include the correct form of TENER (to have) when discussing age.
