

REPASO: los artículos

I can use definite & indefinite articles to indicate the number and gender of Spanish nouns.

Los artículos definidos: Because of FOL #1, there are four definite articles in Spanish.

THE	masculino	femenino
singular	el	la
plural	los	las

Definite articles are used to refer to **specific** items.

Los artículos indefinidos: There are also four indefinite articles in Spanish.

a(an), some	masculino	femenino
singular	un	una
plural	unos	unas

Infinite articles are used in situations that are more **general**.
