

La capital de Guatemala

La Ciudad de Guatemala

The capital of Guatemala is Guatemala City.

The capital is locally known as Guatemala or Guate.

In addition to being the capital, this is the largest city in Guatemala.

Guatemala's capital is the most populous city in all of Central America.

The population of the capital city is approximately 2.7 million people, which is about the same size as the city of Saint Louis.

metro area

Milwaukee metro = 1.57 million

Chicago metro = 9.5 million

Learning Target:

I can understand basic cultural information related to Guatemala.
