

## ¿antes de o después de?

I can use unit verbs with prepositional phrases.

A **preposition** is a word that shows a relationship between other words in a sentence. (*where, when, purpose, general...*)

**antes de** (*before*) and **después de** (*after*) are **prepositions** that can be used to sequence events (*nouns*) or activities (*verbs*). (*showing a when relationship*)

**Verbs** immediately following a preposition infinitive.

**ejemplo:** Tomás tiene la clase de arte antes de la clase de música. (*noun*)

Tomás has Art class **before** Music class.

Yo necesito cortar el césped antes de regar las flores. (*verb*)

I need to cut the lawn **before** I water the flowers.

I need to cut the lawn **before** watering the flowers.
