

Research Paper: PEER Edit & Review

Author's Name: _____

Topic & Organization: _____

Reviewer's Name: _____

LT: I can analyze my own rough draft and the writing of two peers for the six traits. I can apply revisions from the self, two peer, and parent edits to the rough draft to produce a final writing piece. (L.8.1 & W.8.5)

1) Please read and make edits on the student's paper.

List two things that you think the writer did really well.

List one thing that you think the writer could do to improve the paper.

2) Is the research cited correctly and incorporated smoothly into each paragraph? Why or why not?

3) Is there a short quote, long quote, and chart/graph in the paper? Are they cited and formatted correctly?

4) Does the author use 3rd person consistently throughout the paper? Why or why not?
