Tomorrow, you will turn this:

<http://www.alz.org/>

Into this:

"Alzheimer's Disease and Dementia | Alzheimer's Association." *Alzheimer's Disease and Dementia | Alzheimer's Association*. Alzheimer's Association, 12 Feb. 2013. Web. 13 Feb. 2013. <<http://www.alz.org/>>

Website Sources

The screenshot shows the 'Cite a Website' form with the following fields and values:

- Enter Web address:
- URL:
- alz.org is credible. [Learn more »](#)
- Please confirm or modify the information below!
We get our data from outside sources, so please double-check.
- Medium: **Online**
- Source type:
- Article title:
You may need to clean up this title (it's long).
- Contributors:
- Online publication info:
 - Website title:
You may need to clean up this title (it's long).
 - Publisher / sponsor:
 - URL:
 - Display URL: Yes No
Leave out the URL unless the source cannot be located without it.
 - Electronically published:
 - Date accessed:

Buttons:

This title will change for each tab that you clicked on.

Make sure to check this.

The date you retrieved the information from the site.

Look for all information, but leave it blank if it isn't included on the site/source.

The date that it was last updated or the copyright date.

When you have finished entering all of the information, then you are ready to create the citation.

Book Sources

If you used a book in which the entire book was written by the same author. Otherwise, you will select "Chapter or section".

The screenshot shows the 'Cite a Book' web form. At the top, it says 'Cite a Book Help' and lists citation styles: 'MLA 6 MLA 7 APA Chicago/Turabian'. Below that, it says 'Just fill out what you know. We'll format it correctly.' There is a search box with 'Alzheimer's' entered and an 'Autocite!' button. A note says 'New! Search by book title, keywords, or ISBN! powered by CrossRef'. A red warning says 'Please confirm or modify the information below! We get our data from outside sources, so please double-check.' The 'Medium' section has tabs for 'In print', 'E-book: online', 'Online database', and 'E-book: other'. The 'Citing' dropdown is set to 'The whole book'. The 'Contributors' section has two authors: 'Isobelle Gidley' and 'Richard Shears', each with fields for 'First', 'MI', 'Last / corp.', and 'Suffix'. The 'In print publication info' section has 'Source title' as 'Alzheimers: what it is, how to cope', 'Advanced info' with 'Vol.', 'Edition', and 'Series' fields, and 'Publication info' with 'Publisher' as 'Allen & Unwin Austr', 'City' as 'Sydney', and 'Year' as '1987'. There are 'Add Annotation' and 'Create Citation' buttons at the bottom.

Look for all information, but leave it blank if it isn't included on the site/source.

When you have finished entering all of the information, then you are ready to create the citation.

Research- Use the GMS Library Website

GMS Library Media Center

Welcome to the GMS Library Media Center
 8540 French Ridge Drive
 Greenville, WI 54942

Library Staff
 Jim Helgeson - Library Media Specialist
 Corinne Truesdell - Library Media Aide

Our goal is to develop life-long learners who are effective users of information. To accomplish this goal, we will:

- Encourage a love for reading.
- Provide access to learning resources in a variety of formats.
- Teach skills necessary to locate, evaluate and use information.
- Promote digital citizenship.
- Collaborate with other educators to design learning strategies that support the curriculum.
