Sixth Lesson Due

Welcome:

The first month of school has come to a close. We are hard at work with "Annie" and are starting to work on our December Concert music. I am getting to know more of you and your children and am truly impressed with what I am finding. Students seem hungry to learn and grow.

Musical:

We need help painting. We have not yet found a head painter and need any help finding one. We have base coats on a lot of the items but someone with a good eye is needed to make the set look amazing. [Please send any contacts my way.](#)

We are looking for several props for our show. If you are willing to purchase or have any of these items to donate or loan us we would be greatly appreciated. [Click here for list.](#) The list will be updated as we continue to find things we need so please check back.

Tickets for "Annie" go on sale October 8th. You can find the link at www.hasd.org or directly [here.](#)

Candy Bar Fundraiser:

Vande Walle's candy bars are continuing to be sold. If you need more boxes, please continue to submit your request forms. Please also remember that orders take 2 to 3 weeks to be filled.

Uniform Fitting:

We need help fitting uniforms for our upcoming concerts. Some sewing may be asked of you. We would try to fit the students during the day during our classes. If you are willing and able to help, please [email](#) me.

December Concert Solos

Please encourage your child to prepare and audition for a solo or small group song during our December concert. The theme for the concert will be "Home" so be sure your child's selection fits that theme.

NYC Trip Update

Reminder: second payment of \$500.00 is due October 5th.

Food for Thought:

"Music, once admitted to the soul, becomes a sort of spirit, and never dies."
— Edward Bulwer-Lytton

To volunteer make sure you have completed a HASD background check within the past three years. The form is linked below. Please send the completed form to either Mr. Foth or Tamie Neilson in the District Office:
