

Scholastic Book Orders

In the future, I will send out scholastic book orders in your child's folder that you can look at and buy books from. Throughout the year you will be receiving different levels of scholastic reading to accommodate your whole family. Buying books is optional, however, if you choose to buy books (there are some really good deals), then you can fill out the form and make a check out to, Scholastic Books, and then I will send in the orders all together.

Another option, **AND THE MOST RECOMMENDED**, is to order your books **ONLINE**. Then there is no handling of money between anyone and you do not have to pay shipping and handling because it is **ALWAYS** free!! Also, if you order **ONLINE**, our class gets a **free class book**. I am attaching the information needed to make an account online, along with our class order/activation code **HDM6G**.

If you choose to buy books, I would appreciate having all orders by the last Thursday of every month and then I will send the order ASAP.

Any questions, let me know!
