PARENTAL INVOLVEMENT

I welcome help from parents in the classroom! Parents can help by reading with students during reading, chaperoning on field trips, assisting in the computer lab, just to name a few. Feel free to share your expertise with the class as well. We'd love to have you! If you would like to help, please feel free to email or write a note. You are welcome to come anytime, we just need you to complete a background check with the office.
