Dear Wolf Ridge Staff,

Thank you for another great year at Wolf Ridge. My students and I had a wonderful time learning about the environment. We also greatly enjoyed the team building activities.

Linnea was a fantastic liason for our group. Her energy was contagious and brought smiles to our faces. She was very organized and handled the dynamics of group with the ease of a veteran staff member.

I really enjoyed the hike to view Lake Superior. The view was beyond words. The leader did a great job of teaching us along with adding fun to the hike. Another activity I really enjoyed this year was Raptor session. It was really neat to see the different birds as we learned about them.

Once again, thank you for an amazing three days for my students and I. The memories made will definitely last a life time.

Sincerely,

Jenni Koenecke
