Substitute Teachers

A Three-Year Short-Term Substitute license may be issued to an applicant who holds an associate degree or higher from an accredited college or university and who has successfully completed an approved substitute training program. The substitute training program is a 1-day class. The substitute teacher license is issued for a period of 3 years and can be renewed every 3 years. If you are interested in becoming a substitute teacher, please visit the link below:

Substitute Support Staff

Are you looking for a flexible job with the ability to determine your own schedule? Perhaps you would like to make extra money while your kids are in school, and still have your evenings, nights, weekends and holidays free.

Substitute support staff consists of educational assistants, food service, and administrative assistants providing substitution services to the district. Substitute support staff play an important role when regular support staff are absent.

Apply with this **link** if you are interested in being a substitute
