

Student Newspaper Staff

Students Served:

Available to any student in grades 5 – 8

Description:

The student newspaper gives students the opportunity to share their ideas, voice their opinions, use their creativity, and get their writing published. In the process, students have access to editors and advisors to help them improve their writing and word processing skills.

Newspapers are circulated to all GMS staff and students.

Time Period:

Student Newspaper Staff meets one day each week in the GMS computer lab throughout the school year from 3:15 – 4:30, but end time is flexible.

There are many students who participate on sports teams, attending newspaper meetings as their schedules permit.

Volunteers:

Not necessary in general, with the possible exception of a parent volunteer to help chaperone a year end trip.
