## Forensics Information

Do you enjoy reading aloud, telling stories, reading poetry or performing skits? These are just a few of the things you can do when you join the Forensics team. Students in grades 6-8 can join. Students who participate in forensics exercise their speaking voices and become more confident readers and public speakers. Forensics is a lot of fun. Join with a friend or a group of friends and Mrs. Lynaugh and Mrs. McMorro will help you prepare a presentation that's just right for you. Practices are held after school in room C117 from 3:15-4:15. (Students who are involved in fall sports may still participate in forensics.)
