**Online Physical Education -1/2 Credit**

Blended Physical Education (3011-12) is a six-week summer school course that allows students to receive a ½ credit of Physical Education Credit. This course will emphasize the five health-related components of fitness, along with the development of skills practiced in Physical Education I. Safety, courtesy, rules, and strategy will also be taught. Summer school physical education units will be determined upon the incoming students picking their top six most popular units that the students will be polled before summer school begins. This will give flexibility to adapt to the students taking the course, yet still be exposed to Physical Education II curriculum. Students taking this course will meet in **D148 at 8am on June 10<sup>th</sup>** to discuss the course expectations for the summer. Students will complete the course via Canvas.
