**CAMP NAN A BO SHO OVERNIGHT CAMP**  
**YMCA OF THE FOX CITIES**

Camp Nan A Bo Sho (NABS) is a YMCA of the Fox Cities summer sleepaway camp located in Lakewood, Wisconsin. Camp NABS focuses on providing an inclusive and safe experience for children to discover more about themselves in an environment that grows lifelong friendships and support.

Our camp staff gain experiences that can't be read in a textbook. Our camp staff graduate to become sought-after teachers, social workers, nurses, environmentalists and so much more! All roles have the potential to be set-up as a paid internship, earning staff college credits. Spend this summer outside kayaking, painting, fishing, hiking, playing games and doing all the things you loved as child.

Directors, wilderness trip leaders and counselors need to be 18 years or older. Junior counselors can be 17 years or older.
