

GMS Daily Announcements

Monday, March 18th, 2024

- **Today is a B2 Day for band lessons and a Green day for Mr. Winkel's choir lessons.**
- **Mrs. Patch's 8th Grade B students have an alternate lesson schedule today! Check your hallway for lesson times or see Mrs. Patch**
- **We have Coding Club tomorrow after school. Wear your t-shirts!**
- **All HEY group members, please meet outside Mr. Brown's classroom this Thursday, March 21, during WIN.**
- **Today marks the beginning of the Wisconsin Forward exam testing window. Each day over the next several weeks different grade levels will be working on these important tests and there are a couple of very important expectations for all students during this time.**

When you are passing between classes it is very important that we keep our voices to a minimum as students will be testing throughout the day. This is especially important in the hallway from the 7th grade wing to the library and in the cafeteria area.

During lunch times we will be having some testing going on as well. Please help us with this by keeping our voice levels down to a level one inside voice during lunch.

Students who are testing. Please be sure to do your very best. If you need to take a break, you are able to do so. These tests are not timed so be sure to take your time and give it your all.

Today some of our 5th grade students will be testing. Good luck to all of you. We are excited to see how much you have learned over the course of this year.
