- **All 6th and 7th grade students who are planning on playing football next fall as 7th and 8th graders need to come to a meeting in the cafeteria during WIN on Thursday of this week. With the merge between club football and middle school football, this is a very important meeting to be at. 7th and 8th grade coaches as well as the high school varsity coach will be there.**

- **Congratulations to all of the choir performers last evening. You all did an absolutely amazing job and Mrs. Powell and I are very proud of you. Special shout out to Faith Vanderloop for her solo performance. It was amazing!**

- **Attention all students interested in playing football, there will be an informational meeting during WIN on Thursday March 21st. School Football and the Hortonville Football Club are merging this season and the coaches are looking to meet the players and share some information about the season and some opportunities to prepare this offseason. The meeting will take place in the cafeteria on Thursday at 2:30**

- **Thank you all for doing a great job during transitions with testing. Remember we need to be at a level zero as we are passing through the 7th grade bathrooms all the way past the library and through the cafeteria. Your continued help with this is important for all of our testers.**
