AAAHHLLLOOHHAAA!

- Reminder we have Coding Club tonight from 3:00-4:30.
- As the weather warms up, a reminder to our walkers and bikers - you must use the sidewalks on school property, both at GES and GMS as well as the crosswalk. You should never cut through the drop off lane, visitor parking, or staff parking for any reason. Bikers, once you are on school property, GES or GMS, you must get off and walk your bike. Thank you for your help with this.
- Recess reminder, we must stay on the blacktop at all times. You should not be in the grass or mud for any reason. We spend a good deal of money on equipment for you to play with outside, please treat it respectfully and use it properly. You are responsible for the cost to replace equipment you damage. Please be respectful of others, play fair, and do not take items away from others when they are using them. All games are inclusive, you may not exclude anyone for joining in your game. Be kind, be respectful, and use the time appropriately.
- Students, please remind your parents that you may not be picked up on Fawn Ridge Drive or in the neighboring cul de sacs after school. The town

of Greenville and local law enforcement have determined that parking along the road for pick up causes a safety concern after school. Remind your parents you must be picked up in the pick up lane. If your parents would like to avoid the traffic, have them pick you up at 3:10, you may wait outside or in the vestibule for them if needed. Thank you for your help with this.
