Travel Permission Form (Driver)

The policy of Hortonville High School is that students must ride school-sponsored/school -recognized transportation to and from off-campus practices and contests; however, to address the needs of some of our students due to time/work constraints after school, we have, with parents permission, allowed select students to transport themselves to practices.

If your son/daughter has your permission to drive themselves to practice sessions, we ask that you please complete this form and return it to Student Services. In giving your son/daughter permission not to use school transportation for practices and signing your name below, you also

- (1) agree to hold Hortonville High School and its agents harmless in the event of any accident or injury, and
- (2) understand that you have waived the use of school-sponsored/school recognized transportation provided for your son/daughter, and
- (3) understand that your or your son's/daughter's automobile insurance is the **only** coverage applicable in the event of any accident or injury, and
- (4) agree that you are completely aware of the risks (including, but not limited to, serious and permanent bodily injury and/or mental incapacity, or death) inherent in having you son/daughter drive to practice and freely accept complete legal responsibility for this decision.
