

Hortonville High School

Activities Department

Honoring Former Students in Activities

Return to Sam Engelland (AD) at HHS Office or email to [samuelengelland@hasd.org](mailto:samuellenland@hasd.org)

The Hortonville Activities Department has a foundational goal to promote collegiate participation. One of the efforts to do so is recognizing Hortonville Alumni that have gone on to compete in college in their respective activity(s) and earning at least one varsity letter. These activity members, their accomplishments, and the college they participated at will be honored with a display in the school for all current and future Polar Bears to recognize and be inspired by.

If you or someone you know qualifies, please fill out this Resume Fact Sheet and return it to the above contact so the Hortonville Activities Department can include you in the project Honoring Former Students in Activities.

Resume Fact Sheet for Hortonville High School Activity Members who earned at least 1 Varsity letter in college.

Name_____ Graduation Year from HHS_____

College_____
