Community and School Profile 2019 - 2020

The Village of Hortonville is a vibrant community of 2,745 residents located in southwestern Outagamie County, an area known as the Fox River Valley. The Hortonville Area School District serves the communities of Hortonville, Greenville, along with parts of Center, Dale, Ellington, Grand Chute, Hortonia and Liberty. As of 2018, the district enrollment was 3,943. The district maintains six school buildings on two campuses. Students entering Hortonville High School (HHS) come from the district’s two public middle schools and three private schools. HHS has a population of 1,153 students in 9th-12th grade. It offers a rigorous high school curriculum and operates on an eight-period day.

- Work Force/Apprenticeships: 15%
Hortonville High School is home to approximately 1200 students in grades 9-12. Students are provided with diverse academic opportunities, as well as, more than 40 extracurricular activities, including Link Crew which aids in the transition from middle school to high school for 9th graders.

We have implemented the Sources of Strength model (a best practice youth suicide prevention project designed to harness the power of peer social networks to change unhealthy norms and culture, ultimately preventing suicide, bullying and substance abuse) to support resiliency skills of all of our students.

Another opportunity for our students is provided through onsite access to professional licensed therapists through the E3 Program.

**Overview**

- **Honors Courses**
- **Advanced Placement Course Offerings**

Akin Field has been a staple of the Hortonville Community for many years. The Hortonville and Greenville communities, along with the surrounding areas have strong Polar Bear Pride. The enhanced Wolf River Community Bank Stadium will provide an opportunity for HASD to keep athletic events at home, provide a high-quality regional athletic facility and keep a competitive balance, in addition to the outstanding academic offerings at HASD.

**Our community ensures every student learns at the highest level.**
