This is a senior level course that is only available to those who did not take Advanced Placement-Language and Composition/CAPP English 101 for CAPP credit previously.

This course aligns to an introductory college-level rhetoric and writing curriculum, which requires students to develop synthesis, analysis, and argumentative essays that proceed through several stages or drafts. Students evaluate, synthesize, and cite research to support their arguments. Additionally, students read and analyze the rhetorical elements and their effects in non-fiction texts. This is an advanced course which may be taken for CAPP college credit. The course of study is the same for all students whether taken for high school credit only or CAPP 101. Students who meet CAPP criteria take this course through the University of Wisconsin-Oshkosh. Those who pass the CAPP course earn 3 college credits in addition to .5 high school credit.
