UNIVERSITY OF
WISCONSIN
OSHKOSH

LAUDE
COURSE

CAPP
Cooperative • Academic • Partnership • Program

This course will introduce students to the skills necessary to successfully construct and communicate your ideas and positions throughout your college experience, in your future profession, and in your civic interactions. Upon completing this course, professors will assume that you are able to write and deliver a presentation that is organized, audience-centered, researched and logical.

This is a course that may be taken for CAPP college credit. University tuition is charged if the course is taken for CAPP credit. The course of study is the same for all students whether taken for high school credit only or CAPP Com 111. Students who meet CAPP criteria take this course through the University of Wisconsin – Oshkosh. Those who pass the CAPP course earn 3 college credits in Communication in addition to .5 high school English credit.
