

Senior English A

Course #: 0043

Credit: .50

Length: Semester (Fall)

Year(s) Taken: 12

Prerequisite: None

Senior English A and B will cover the same standards, but the materials used will differ by semester. This course is a culmination and expansion of English Language Arts skills, with a focus on college and career ready expectations. Emphasis will be placed on choice reading of fiction and nonfiction, various choice writing assignments with practice in multiple revision strategies and making strategic use of digital media to present information. The goal of this course is to appropriately prepare students for secondary education and workplace communication.
