## SCHOOL AGE PARENTS AND MARRIED STATUS OF STUDENTS

A student's marital status shall not be a basis for discrimination or other restriction in that student's educational programming. Likewise, the Board of Education supports the provision of modifications and other services to enable resident school age parents to continue their education.

The school may request medical verification of a pregnant student's ability to continue in all classes in her program. A school age parent, however, may not be compelled to withdraw from his / her regular education program.
