GREENVILLE MIDDLE SCHOOL  
MR. HAAS/NEJEDLO AND MR. LUNDSTROM'S  
CLASSROOM ECONOMY

Dear Families,

Our classroom economy is up and running. The economy operates on a cash-and-check based system of payment and incentives which rewards responsible student behavior; students also hold classroom jobs while using savings and checking accounts, as well as paying fees, fines, rent, and they even have income taxes withheld!

This year's next **HAAS-WORLD & LUNDSTROM-LAND AUCTION DAY** is around the corner! During the auction, students are able to auction off various items to be sold for "Haas-bucks or L-bucks" (our classroom currency) to the highest bidder. Each student that wishes to participate in auctioning off items must have a signed permission slip or note to verify that Mom/Dad or a responsible adult understands the basics of our classroom auction; please include a description of the item(s) to be auctioned off. Students are limited to 2 "lots" (items or small groups of items) that they may sell at the auction.

With your permission, your son or daughter may bring items that he or she would like to auction off. Items to be considered might be small inexpensive trinkets, small toys, games, stuffed animals, books, and other "student desirable" items. Food such as cookies, juice, soda, snacks, chips, and fruit may also be sold at our auction, but please keep healthy food choices in mind if you are helping your student decide. If you have any questions or concerns feel free to contact me. This is continuing to be a rewarding project and an exciting real-world learning experience for your child.

Mr. Nejedlo and Mr. Lundstrom
