

# POLAR PLUNGE

FOR SPECIAL OLYMPICS WISCONSIN

The sixth grade team would like to extend an invitation to your student, or you, to do the Polar Plunge on February 15, 2020, in Oshkosh. Mrs. Ellerman and Mrs. Dent are willing to brave the bitter cold water with the team while Mrs. McMorrow, Mrs. Pernsteiner, and Mrs. Cordy will join the team in fundraising, but they're "too chicken to plunge"! Plunging is NOT mandatory, just an opportunity to help raise money for Special Olympics in Wisconsin. Each student jumping is responsible for pledging for our team a minimum of \$75 to participate. Sixth grade will have penny war at school to help team members raise *some* of their required money if they need it.

Our team name is Hortonville Middle School Polar Bears- we will pre-register the team before the big day for a jump time so you know when to be there— usually around noon. Parents will need to provide a ride to and from Oshkosh on the jump day since it is a Saturday and outside of school activities. Parents will also need to help their son or daughter register online with the Polar Plunge officials and sign a waiver form. If you would like to raise money with us but not participate in the plunge, we would greatly appreciate the help! Please fill out, sign, and return the bottom portion so we know who will be participating. More information will be given out as we get our team together. If you have any questions, please contact Mrs. Ellerman. We look forward to "Freezin' for a Reason" with the sixth grade class!
