

# Los artículos indefinidos

I can apply indefinite articles to nouns.

Often we use words called articles in front of a noun.

Like the definite article, There are 4 indefinite articles in Spanish.

Indefinite articles are general.

When a person asks for any item they use the indefinite article. Also, when describing the clothes that you are wearing, it is more natural to use the indefinite article.

Why?

Because F.O.L. #1.

All nouns have number and gender.

The singular indefinite articles mean a / an.

The plural indefinite articles mean some.

<b>a / an / some</b>	<b>masculino</b>	<b>femenino</b>
<b>singular</b>	<b>un</b>	<b>una</b>
<b>plural</b>	<b>unos</b>	<b>unas</b>
