Thank you

All NYC Chaperones! You made this trip possible!

Welcome:

I must apologize for getting this information out late. With the NYC Trip and the Concert at the end of last month I haven't had time to compile all of this information until now.

State Solo and Ensemble:

State Solo and Ensemble will be held at UW-Oshkosh through out the day. All student who will not be riding the bus must have a completed travel release form turned in prior to departure.

As the schedule is released I will release that information to the students.

<u>Travel Release Form</u>

NYC Trip:

Our HHS Students performed well on the NYC Trip. We had the opportunity to work with the actress who played Hannah in "Come From Away" as well as see four shows, and many tours of NYC buildings including: NBC Studios, Rockefeller Center, and the UN. We also performed in the largest Gothic Cathedral on the planet. Our students represented Hortonville High School well and had a lot of fun in the Big Apple.

Third Quarter Grades:

As you look at your student's report card. If they have lower than a B in choir, they are more than likely missing quizzes that are past due, or have not completed other work for class. Please be sure to look for missing assignments as they can easily be made up on the student's own time.

Fundraiser:

The last 6 totes of Vande Walle's candies are available for this fundraising season.

Arctic Singer Auditions:

If your student would like to audition for Artic Singers, please have them see me before the end of the month.

Food for Thought:

Music has healing power. It has the ability to take people out of themselves for a few hours. – Elton John
