

## CONGRATULATIONS TO THE HORTONVILLE HIGH SCHOOL CAST OF...

**Congratulations to everyone who auditioned for the 2021 HHS Fall Musical, Freaky Friday! I was absolutely thrilled to see the high level of talent coming in this fall, not only from an acting standpoint, but also singing and dancing. I am so excited to get started, and even more excited about doing Freaky Friday, as there are so many great roles that will showcase your talents.**

**Casting this year was extremely difficult, as so many of you came in well prepared, and had excellent auditions. This year auditions were judged on four different criteria: Your monologue, singing, dance audition, and how you presented yourself during your audition. As I have often done in the past, I have double casted some of the bigger roles to give more opportunities. The roles of Ellie Blake, Katherine Blake, and Ms. Myers the gym teacher will be double casted this year. If you are casted in one of these roles you will perform live in two of our four shows. All other cast will perform in all four of the productions. As with any production, I can't give everyone the role they were hoping for, but I promise you that this is a really fun, high energy show that has a lot of great characters that will give you the opportunity to shine! I congratulate you again on being a part of our Fall Musical, Freaky Friday!**

**I will be contacting you by e-mail in the next couple of weeks when our scripts are here. At that time you will be also given a schedule for rehearsals and upcoming cast and crew events! See you soon!**

**Joe**
