

Shooting Star

Verse 1

Close your tired eyes, relax, and then,
Count from one to ten and open them.
All these heavy thoughts will try to weigh you down,
but not this time.

Verse 2

Way up in the air, you're finally free;
And you can stay up there right next to me.
All this gravity will try to pull you down,
but not this time.

Refrain

When the sun goes down and the lights burn out,
then it's time for you to shine, brighter than a shooting star;
so shine, no matter where you are.
Fill the darkest night with a brilliant light,
'Cause it's time for you to shine, brighter than a shooting star;
so shine, no matter where you are.....tonight.
Whoa,....whoa,....whoa, brighter than a shooting star;
shine, no matter where you are.....tonight.

Verse 3

Gaze into my eyes, when the fire starts;
and fan the flame so hot, it melts our hearts.
Oh, the pouring rain will try to put it out,
but not this time.

Verse 4

Let your colors burn and brightly burst
into a million sparks that all disperse,
illuminate a world that'll try to bring you down,
but not this time.
