

## Aubrey The Runner

Have you heard of a girl named Aubrey?

The first thing she did when she was

born was run a mile? A little later she

met other runners. Then when she became 16 she bought a house in a small town. One day Aubrey went to the track to run and she saw a guy. His muscles were bigger than an elephant. Then the guy came to Aubrey and said, "I want you a race, if I win I will set your town on fire." If you win which won't happen. Then you can enjoy your life. "Aubrey said, "yes." They both practiced every day. Finally, the day of the race came. Aubrey and the guy (who wasn't kind enough to tell his name) lined up at the starting

line.3...2...1...Go! The guy was in the lead  
but then at the last minute... BAM!

Aubrey ran as fast as a cheetah and

Aubrey won the race! The town

celebrated with a party with a bunch of

cake. But sadly, Aubrey died that night

because she ate to much cake. Some

people say that if you look closely you can

still see Aubrey running on the track.
