

## Blake the Best Football Player

Have you ever heard of Blake? He was born with a football in his hand. He was so good if he tried to tackle an ox he would take it down. As he grew up he got famous. On one

game he broke his leg and he went to the hospital and couldn't play for a 30 day.

When he was 28. He got married and had 2 kids. Next his kids were 17 and 12. When he was in 1 game he won. Next, he was 35 and his kids are 24 and 19. The 24 one got married with a girl and had a big house.

When the 24 one was 29 he had kids. Little brother was 24 and his dad was 40. This person named Thomas said, "Do you want to Challenge me?" Blake said, "yes." At 5:00 in the morning he was like an ox. He was so easy to beat. Blake said, "and he came back

at me with revenge." 8 years went by and they were still playing football Blake ran out of his Breath and fell over and boom!!! It was 101 to 101 and they were tied. Thomas fell over too. If you listen closely you can hear the pads hit each other.
